IV Mon. June hath xxx days.

Unhappy *Italy!* whose alter'd State
Has felt the worst Severity of Fate;
Not that *Barbarian* Bands her *Fasces* broke,
And bow'd her haughty Neck beneath her Yoke;
Nor that her Palaces to Earth are thrown,
Her Cities desart, and her Fields unsown;
But that her ancient Spirit is decay'd,
That sacred Wisdom from her Bounds is fled.
That there the Source of Science flows no more,
Whence its rich Streams supply'd the World before.

V Mon. July hath xxxi days.

Hot from the Field, indulge not yet your Limbs
In wish'd Repose, nor court the fanning Gale,
Nor taste the Spring. O! by the sacred Tears
Of Widows, Orphans, Mothers, Sisters, Sires,
Forbear!---No other Pestilence has driven
Such Myriads o'er th' irremeable Deep.
